

Mercer City Meeting January 10, 2013

Mercer City meeting was called to order with all council present.

Min from Dec. meeting were read & approved with a motion by Darren & seconded by Steve.

Financials were studied & approved.

A mower was bought for the Bobcat & it was decided to keep the blade as council decided that they were not going to receive enough trade in for it.

Joe mentioned he had talked to Deputy Laswell about how much time was spent patrolling Mercer & she showed him the log book & mentioned that she is here at least an hour a day when she is on duty.

There was discussion on the recurring problem of people filling up the city dumpster. The dumpster is for City & Community Center use only.

With no other business, bills were initialed & meeting adjourned.
