Chesters requested to be open on some selected Sundays this winter. Bryan made a motion to approve and Randy seconded it. Motion carried.

AJ, Lynn and Oly Olafson went to visit Lloyd Westerlind about land acquisition. He said that if the City would put in a Pivot system for him he would give us the easement to drain the slew. AJ did the research on the Pivot system and it would be \$50 to \$60,000 dollars to install. It would take a day and half to drain the slew with that system, so it is not feasible. AJ checked with USDA and they would not give grant money for that.

Kathy discussed donating some of the Bingo money for Christmas bags for both churches and paying for the horse on the playground at MCC. A motion was made by Bryan and seconded by Randy. Motion carried.

Dog licenses will remain the same.

Bryan to help Kathy with putting up the City's Christmas decorations after Thanksgiving.

Allan made a motion to adjourn the meeting and Bryan seconded it. Motion carried.
